Career Objective

"Aspiring Software Developer with hands-on experience in full-stack web development using Python Flask, MySQL, and modern frontend technologies. Seeking an entry-level software development role to leverage my expertise in building scalable applications, implementing advanced database solutions, and contributing to innovative projects while continuously enhancing my technical skills."

Education

- **Master of Computer Applications (MCA)** Chandigarh University, Mohali | 2025-2027 Current CGPA: 6.16/10.0
 - **Bachelor of Computer Application (BCA)** Sachidanand Sinha College | 2020-2023 Aggregate: 79.5%
 - **Higher Secondary Education (Class XII)** BSEB | 2020 Percentage: 72.8%
 - **Matriculation (Class X)** CBSE | 2018 Percentage: 78%
-

Academic Projects

Student Grading System | Role: Project Lead

Sep 2025 – Nov 2025

- Developed full-stack Student Grading System using Python Flask, MySQL with triggers/views/stored procedures, and responsive HTML/CSS serving 500+ student records.
- Implemented automated grade calculation (A+ to F), pass/fail determination, and real-time performance analytics reducing administrative workload by 60-70%.
- Engineered secure authentication with PBKDF2 password hashing, role-based access control, and teacher-managed enrollment preventing unauthorized access.

Letter Management System | Role: Project Lead

Nov 2023 – Jan 2024

- Designed and normalized relational database schema with primary keys, foreign keys, and constraints to maintain data integrity.
 - Implemented SQL queries for CRUD operations, tracking letter status, and generating dispatch reports efficiently.
 - Ensured optimized data retrieval and structured record management for secure and systematic letter handling.
-

Technical Skills

- **Programming Languages:** Java(Core), Python, C++, SQL, JavaScript.
 - **Web Technologies:** HTML5, CSS3, React.js.
 - **Frameworks & Libraries:** Flask, Django, MERN Stack, FAST API, Kafka, REST API
 - **Tools & Databases:** Git, MySQL, NoSQL, MSSQL, PostgreSQL, MongoDB.
-

Interpersonal Skills

- Problem-Solving & Analytical Thinking.
 - Team **Collaboration & Communication**.
 - Adaptability and **Quick Learning**.
-

Certifications

- Introduction to Natural Language Processing by Infosys(2025).
-

Hobbies and Interests

- **Competitive Programming:** Active on LeetCode with a focus on algorithm optimization.
- **Creative Arts** : Digital art and painting.
